Can you help?

The ScaleSeven Group is run by volunteers who give freely of their time and skills to put on events and ensure the Group's smooth running. Over the years, as a Group, we have been asked to provide information stands and S7 layouts for various exhibitions and events across the UK and beyond.
 Your committee is keen to develop and maintain a register of S7 layouts, either under construction, near completion or already on the exhibition circuit with a view to being able to offer exhibition managers a choice of layouts representing S7. If you have a layout and would be happy for it to be offered to exhibition managers then please contact *Rob Thompson, Group Secretary (Tel: 01491 835648 or email: secretary@scaleseven.org.uk)*.
 If you are approached by an exhibition manager regarding your layout or demonstration skills then it is important to notify *John Birch, Events Coordinator (Tel: 01279 777328 or email: events@scaleseven.org.uk)* so that he can ensure that you have the relevant publicity material and support, both material and human, from the Group during the event.
